

Haddonfield Summer Academy

2012

Come and explore Haddonfield's summer enrichment courses for elementary, middle, and high school learners! We are offering a wide variety of classes with many new offerings. Take a close look and see what might be exciting for your child to learn more about this summer.

All courses run Monday through Thursday and there will be no classes on July 4th.

Registration can be completed at: <http://haddonfield.southjerseyschools.com>

Directions on how to complete the registration can be found [here](#) and a calendar of sessions can be found [here](#).

Registration is now open and is first come, first served!

Need more information about the Summer Academy? **Call or e-mail:**

Sean Sweeney

Phone: 609-707-2393

Fax: 856-429-2006

ssweeney@haddonfield.k12.nj.us

Registrations will be accepted on a first-come, first-served, basis and will be held for 14 days until the non-refundable registration payment of \$40 is received.

Please register and send payment for the total amount due for all classes by check or money order to Phyllis Eves at the Administration Building (1 Lincoln Ave. Haddonfield, NJ 08033) no later than Friday, May 18, 2012. Checks should be made out to: Haddonfield Board of Education.

All Registrations received after May 18th, will be assessed a \$20 late fee.

A quick reference guide with all class sessions, dates, times, grade levels and costs can be found [here](#).

Please note the following:

- A minimum number of students is required for each course to be held. Enrollment may be limited. Registrations will be accepted on a first-come, first-served, basis and are not considered complete until full payment is received.
- A non-refundable registration fee of \$40 is included in the cost of each session. If a registration is withdrawn prior to May 18th the tuition will be refunded minus the non-refundable registration fee. After May 18th no refunds will be issued unless the class is cancelled due to lack of enrollment.

K Kids: Getting Ready for Kindergarten!

Teacher: Ms. Dempsey

A fun-filled, energetic, two hour session Mon-Thurs for our youngest eager learners who are getting ready to go to Kindergarten in the Fall of 2012. Maximum of 24.

Questions? sdempsey@haddonfield.k12.nj.us

For: Students entering Kindergarten in the Fall of 2012

When: One week classes (no class July 4th);
You must register separately for each session desired

Time: 8:30-10:30 am
Session 1: June 25-28
Session 2: July 2-5 (no class July 4th)
Session 3: July 9-12
Session 4: July 16-19
Session 5: July 23-26

Where: Central School

Cost: \$80 per session (May register for more than 1 week if desired)
(WEEK OF JULY 4th is \$60 due to one less day of instruction)

Jump Into 2nd Grade

New this year!

Teacher: Ms. Hofflich

This session will review and strengthen skills needed to succeed in second grade. In a fast moving educational atmosphere we will focus on both math and reading skills in order to prepare you for the upcoming year! Taught in both a whole group and small group atmosphere, this course will help students to practice and refine skills in a variety of subjects while providing them with individual support. Each session is one hour of math skills and one hour of literacy skills (i.e. reading, phonics, word strategies, writing and grammar).

Questions? lhofflich@haddonfield.k12.nj.us

For: Students entering 2nd Grade in the Fall of 2012

When: One week classes (no class July 4th);
You must register separately for each session desired

Time: 8:30-10:30 am
Session 1: June 25-28
Session 2: July 2-5 (no class July 4th)

When: One week classes (no class July 4th);
You must register separately for each session desired

Time: AM - 10:30-12:30 pm
Session 1: June 25-28
Session 2: July 2-5 (no class July 4th)
Session 3: July 9-12
Session 4: July 16-19
Session 5: July 23-26

Where: Central School
Cost: \$80 per session
(May register for more than 1 week if desired)

WEEK OF JULY 4th (session 2) is \$60 due to one less day of instruction.

Games for Learning

Teacher: Ms. O'Shaughnessy

Four days of fun! Ease into summer playing your favorite board games and becoming acquainted with a variety of new ones, while improving your math skills and increasing your vocabulary. Teach a game to the group, make new friends and learn cooperation strategies. On the last day you will design your own games!

Questions? barboshay@haddonfield.k12.nj.us

For: All elementary students
When: June 25-28
Time: 10:30 – 12:00
Where: Central School
Cost: \$80

Hogwarts Summer School 2

Teacher: Ms. Farrell

We are pleased to inform you that you have been accepted at Hogwarts School of Witchcraft and Wizardry. Please join us in sharing your love for Harry and his friends. Come to Hogwarts for two weeks of magical fun and get to know some fellow Harry Potter fans. Each day there will be literature analysis, discussions, writing prompts, and art projects. Come share your magical talents in wand making, Quidditch, and art. You will even compete in a Tri-wizard Tournament. We await your owl with a message of acceptance as soon as possible!

Questions? lfarrell@haddonfield.k12.nj.us

For: Students entering grades 4-6

When: July 9 through July 19

From: 10:30-12:00

Where: Central School

Cost: \$160

SPANISH IMMERSION SUMMER CAMP (FOR GRADES 1 – 6)

Teacher: Mr. Bayona

During this course, your child will have the opportunity to have fun with Spanish by playing games, doing arts and crafts, singing songs and learning new vocabulary words in order to communicate on several topics of interest. The program will offer your child the necessary tools and skills they need to comprehend and communicate at various levels, and will help them to produce meaningful language that can be use in real life situations. All our activities will be conducted completely in Spanish.

Questions? lbayona@haddonfield.k12.nj.us

When: Session 1: June 25-July 5 8:45-10:15 (for Grades K-3rd)

Session 2: June 25-July 5 10:30-12:00 (for Grades 4 & 5)

Session 3: July 9-July 19 8:45-10:15 (for Grades K-3rd)

Session 4: July 9-July 19 10:30-12:00 (for Grades 4 & 5)

****NO CLASS ON JULY 4TH**

Where: Central School

Cost: \$140 for sessions 1 & 2 **because there is no class on July 4th.**

\$160 for sessions 3 & 4

Fitness Fiesta!!!!

New this year!

Teacher: Señorita Fama

Did you know that your brain wants your body to move? It's true! Since your brain prefers active learning, we will be learning Spanish while moving our bodies! Get ready to sing, dance, and exercise to some of our favorite songs, new and old! Some of the songs include Waka Waka, La Macarena, Danza Kuduro, Chu Chu Ua, etc. We will be stretching our bodies and making them stronger through dance and aerobic fun. Staying fit and being healthy is "fantástico!" During each class, you will learn about a different delicious fruit from a Spanish-speaking country. You may even get to try one of them. ☺ Grab your sneakers and a water bottle and get ready for a fitness "fiesta!" A yoga mat will be provided.

12 Student Maximum

Questions? mfama@haddonfield.k12.nj.us

OR

July 23-26 Summer Singin' Choir II

Time: 10:30 - 12:00 (Students entering grades 3, 4, 5, 6)

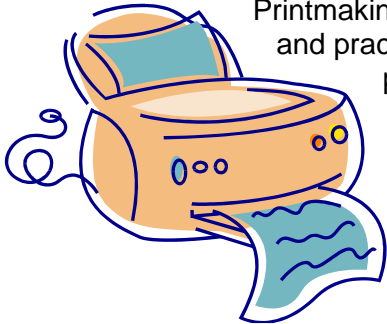

Where: Central School

Cost: \$80 for each course

Print It!

Teacher: Ms. Perman

Is making one drawing REALLY enough for you? Do you wish you could mass produce your art to have enough to go around? Well this Printmaking workshop is just for you! We will learn and practice a variety of printmaking techniques, and print, print, print until you have too many copies to count! We will even create and print our own t-shirt designs with the silk-screening technique! 12 student Max per session.

Questions? cperman@haddonfield.k12.nj.us

When: July 9-12

Time: 8:45 - 10:15 for students entering grades 1-3
10:30 – 12:00 for students entering grades 4-6

Where: Central School

Cost: \$80

123, Look at Me.....Using Technology

Teacher: Ms. Hood & Ms. Lipski

In this session, students will utilize the computer lab to advance their technology skills. Students will be exposed to and create take home projects from programs such as Kidspiration, Power Point, and more!

Questions? lhood@haddonfield.k12.nj.us

For: Students entering grades 1st and 2nd

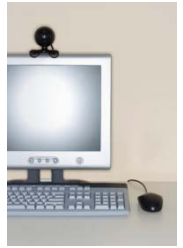

When: July 16-19

Session 1: 8:45-10:15 **OR**

Session 2: 10:30-12:00

Where: Central School

Cost: \$80

Recycle It!

Teacher: Ms. Perman

Have you really gotten all you can out of that 2 liter soda bottle? Can you make a public sculpture out of only household materials? In our recyclable art class we will reduce, reuse, and recycle materials into beautiful, decorative, and even functional art! 12 Student max per session.

Questions? cperman@haddonfield.k12.nj.us

When: July 16-19

Time: 8:45 - 10:15 for students entering grades 1-3
10:30 – 12:00 for students entering grades 4-6

Where: Central School

Cost: \$80

Bulldawg Book Club

New this year!

Teacher: Ms. Adams

Are you looking for an exciting summer read and friends to enjoy it with you? Join the Bulldawg Book Club as we discover Brian Selznick's new book, Wonderstruck. Inspired by graphic novels, this book tells the stories of Rose and Ben through words and pictures. Though they lived worlds and years apart, Rose and Ben are on similar quests to find what they are missing. In this book, the pictures tell the story of Rose and the text tells the story of Ben. The two stories come together at the end in a wonderfully unexpected way. Together, the Bulldawg Book Club will explore Wonderstruck and learn what inspired Brian Selznick to create such a unique style of book.

Questions?

eadams@haddonfield.k12.nj.us

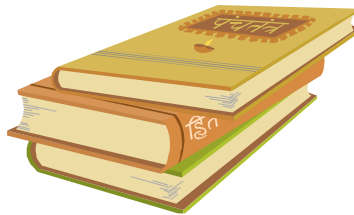

When: July 10,12,17,19

Time: 8:45 - 10:15

For: Students entering 4th, 5th, and 6th

Where: Central School

Cost: \$80

Under the Sea!

New this year!

Teacher: Ms. Perman

Study the world of the sea, and all of the creatures below. Listen to accounts of deep sea travel, study animals of the ocean, and recreate them in clay, paint, and even fabric! 12 Student max per session.

Questions? cperman@haddonfield.k12.nj.us

When: July 23-26

Time: 8:45 - 10:15 for students entering grades 1-3
10:30– 12:00 for students entering grades 4-6

Where: Central School

Cost: \$80

An Introduction to Bird Watching

Jewelry Making!

New this year!

Teacher: Ms. Perman

Make your own wearable art with metal, fabrics, clay and beads! Create jewelry for your friends and family, and learn about some famous jewelry designers! 12 Students max per session.

Questions? cperman@haddonfield.k12.nj.us

When: July 2-5 (No Class on July 4th)

Time: 8:45 - 10:15 for students entering grades 1-3
10:30 – 12:00 for students entering grades 4-6

Where: Central School

Cost: \$60

Don't Eat That! – Art That Looks Good Enough To Eat

New this year!

Teacher: Ms. Perman

Ever wanted to make a cupcake out of clay, or to paint a portrait of a hot dog? Have you ever looked closely at your food? I mean, REALLY closely? In our Food Art class we will create art featuring everything from appetizers to desserts. 12 Student max per session.

Questions? cperman@haddonfield.k12.nj.us

When: June 25-28

Time: 8:45 - 10:15 for students entering grades 1-3
10:30 – 12:00 for students entering grades 4-6

Where: Central School

Cost: \$80

Teacher: Mr. DelDuca

New this year!

Students will learn how to identify various birds of the eastern US and utilize bird books and other resources to help them become independent and life-long bird watching enthusiasts. At least one day will be spent outdoors putting their learning into action. Students will have started a "Life List" record of birds they have seen by the end of the session. Bring your binoculars if you have them!

Questions? vdelduca@haddonfield.k12.nj.us

For: Students entering grades 4, 5, and 6

When: Session 1: June 25 - June 28 8:45-10:15
Session 2: July 9 - 12 8:45-10:15

Where: Middle School

Cost: \$80

Engineering Bridge Challenge

New this year!

Teacher: Mr. Kozak

Students taking part in the Engineering Challenge: Bridges will take part in a two week long single design and construction challenge. Bridges have been additions to roadways for thousands of years and have become a staple for design practice for many pre-engineering students. Members of this class will learn about many types of bridges and will then be given an opportunity to apply what they know to build a bridge out of a limited set of materials. This class will provide students with the opportunity to test out their abilities as a designer and engineer.

Questions? kkozak@haddonfield.k12.nj.us

For: Students entering grades 6 - 9

When: June 25 – July 5
Time: 10:30am -12:00 pm

Where: Middle School

Cost: \$140 per student due to no class on July 4th.

Garden to Table – Grow Your Own Food Organically!

New this year!

Teacher: Ms. Walters

This course will teach participants how to garden from planting seeds to harvesting vegetables and culminating in a meal shared by the group. Children will learn about soil preparation, planting herbs and vegetables, maintaining the garden, controlling pests and weeds organically and harvesting the "fruits" of our labor. We will end each two-week session by sharing recipes and creating a meal from our locally grown produce.

Questions? rwalters@haddonfield.k12.nj.us

For: Students entering grades 2-8

When: Session 1: July 2-12 8:45-10:15 **OR** 10:30-12
Session 2: July 16 -26 8:45-10:15 **OR** 10:30-12

Where: Middle School

Cost: \$140 for session 1 due to no class on July 4th.
\$160 for session 2

Summer Engineering

Teacher: Mr. Kozak

Students taking part in Summer Engineering will encounter a different engineering challenge each day of the session. Each day will begin by introducing students to the design principles needed to take on the challenge for the day. Students will then apply what they have learned in a fun and challenging way. The challenges will cover topics related to buoyancy, Newton's Laws of Motion, propulsion, stress, weight capacity, and overall critical thinking skills.

Questions? kkozak@haddonfield.k12.nj.us

For: Students entering grades 6 - 9

When: June 25 – July 5
Time: 8:45-10:15 am

Where: Middle School

Cost: \$140 per student due to no class on July 4th.

New this year!

Exploring Philadelphia

(National Constitution Center, Ride the Ducks, Federal Reserve Bank, Fabric Museum Workshop)

Teacher: Ms. Hadden

We live so close to Philadelphia, but we don't always take advantage of what the city has to offer. Philadelphia is rich with history, adventure and excitement...so let's explore Philadelphia together! Each morning the group will depart on the PATCO train for Philadelphia. When we reach Philadelphia we will walk to our destination. The destinations include the National Constitution Center, Ride the Ducks, the Federal Reserve Bank and the Fabric Museum. At each museum we will explore and complete an activity together. With your new knowledge of the city, you will be able to show anyone around!

****Please feel free to sign up for Exploring Philadelphia (Week 2): Mutter Museum of College of Physicians, Independence Seaport Museum, National Liberty Museum and Philadelphia Walking Tour ****

Maximum of 10 Students

Questions? chadden@haddonfield.k12.nj.us

For: Students entering grades 6, 7, and 8

When: June 25 - June 28 from 8:45 -12:45

Cost: \$225 (includes cost of all transportation and attraction tickets)

Lego Robot Olympics

Teacher: Mr. Maguire

In this course, each robot coach will receive parts and training from the LEGO Mindstorms RCX Robotics Invention System. Your goal will be to create a robot and teach it the skills to complete challenging events like Robot Tug of War and Robot Sumo Wrestling! Will you have what it takes to win the gold? Students will be challenged to think critically and creatively as they learn about mechanical design, construction, programming, & using teamwork skills.

Questions? mmaquire@haddonfield.k12.nj.us

For: Students entering grades 4, 5, 6, 7 and 8

When: Session 1: June 25 - July 5 from 8:45 -10:15

Session 2: July 9-19 from 10:30-12:00

Where: Middle School

Cost: **\$140 per student for session 1 due to no class on July 4th.**

\$160 per student for session 2.

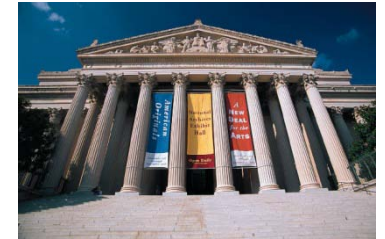

New this year!

Exploring Philadelphia (WEEK 2)

(Mutter Museum of College of Physicians, Independence Seaport Museum, National Liberty Museum, Philadelphia Walking Tour)

Teacher: Ms. Hadden

We live so close to Philadelphia, but we don't always take advantage of what the city has to offer. Philadelphia is rich with history, adventure and excitement...so let's explore Philadelphia together! Each morning the group will depart on the PATCO train for Philadelphia. When we reach Philadelphia we will walk to our destination. The destinations include the Mutter Museum of College of Physicians, Independence Seaport Museum, National Liberty Museum and Philadelphia Walking Tour. At each museum we will explore and complete an activity together. With your new knowledge of the city, you will be able to show anyone around!

Maximum of 10 Students.

When: July 2, 3, 5, 6 from 8:45 -12:45

NO CLASS ON JULY 4th

Cost: \$225 (includes cost of all transportation and attraction tickets)

Lego Robot Olympics (Advanced)

Teacher: Mr. Maguire

This is a more advanced version of LEGO ROBOT OLYMPICS I, designed for students who have taken Lego Robotics I last summer or the first two weeks of this summer. Activities and challenges will build off of the activities and skills learned in the previous course. Students will be challenged to think critically and creatively as they learn about mechanical design, construction, programming, and using teamwork skills.

Questions? mmaquire@haddonfield.k12.nj.us

For: Students entering grades 4, 5, 6, 7 and 8

When: July 9 - July 19 from 8:45 -10:15

July 23-26 from 9-12

Where: Middle School

Cost: \$160

Video Game Programming 101

New this year!

Teacher: Mr. Maguire

In this course, students will use computer resources such as Scratch, Gamestar Mechanic, Sploder, and others to design, create, and play their very own computer games and virtual stories. Participating students must be comfortable sitting for long periods of time, and should be able to process verbal and written instructions. Students will be challenged to think critically and creatively as they learn about design, story-telling, programming, collaboration & reflection skills.

Questions? mmaguire@haddonfield.k12.nj.us

For: Students entering grades 4, 5, 6, 7, 8, and 9

When: June 25 - July 5 from 10:30am - 12:00noon

Where: Middle School

Cost: \$140 per student due to no class on July 4th.

Study Skills, LEVEL 1

Teacher: Mr. Farrell

This course is designed for 5th graders who will be going into 6th, and 6th graders advancing to 7th in September 2012. It will help students recognize the different ways students learn and how they can become better students through their own particular learning style. Students will learn how to organize, how to make studying a habit, how to improve their listening skills, how to read a textbook, how to improve their memory and how to manage time for homework and other activities.

Questions? jfarrell@haddonfield.k12.nj.us

For: Students entering grades 6-7

When: Session 1: June 25 through July 5th (8:45-10:15)

NO CLASS ON JULY 4th

Session 2: July 23 through July 26 (9:00 - 12:00)

Where: Middle School

Cost: \$140 per student for session 1 due to no class on July 4th.
\$160 for session 2

New this year!

Getting Comfortable In Front of the Crowd (Public Speaking)

Teacher: Mr. Thomas

This course will focus on public speaking skills. We will use this opportunity to familiarize students with speaking techniques that allow them to deliver clear, informative, and confident speeches to larger groups of students. We will also use this time to discuss and debate current problems we are facing as a nation such as the recession, immigration, education, national debt, and foreign relations. As a class we will familiarize ourselves with these issues through research and discussion. We will discuss and debate plausible solutions to the problems we are facing as a nation, all the while developing stronger speaking skills.

Questions? tthomas@haddonfield.k12.nj.us

For: Students entering Grades 6, 7, 8 & 9

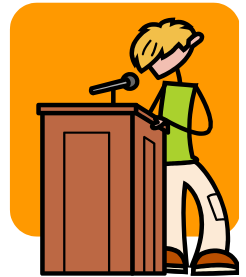

When: June 25 through July 5

(No Class on July 4th)

From: 10:30-12:00

Where: Middle School

Cost: \$140 per student for due to no class on July 4th.

Summer Algebra Class

Teacher: Ms. Henhaffer & Mr. Thomas

Seventh grade students who have completed the first year of the two-year Algebra One program can enroll for this "bridge" course that will permit them to move to the advanced program. Successful completion of the course allows students to enroll in Algebra Two in grade 8. Course will cover such topics as: linear equation, distributive property, solving and graphing linear inequalities, rate of change and slope, polynomials and fitting a line to data.

Questions? lhenhaffer@haddonfield.k12.nj.us

For: Students entering Grade 8

When: June 25 through July 3

From: 8:45-10:15 am

**** (Mandatory) class until 11:45 on July 3, which is the last day of this class)**

Where: Middle School

Cost: \$160

Cities of the Underworld

Teacher: Mr. Farrell

This course is designed for past graduates of the Indiana Jones courses, or anyone who wants to learn about this material. Our intrepid explorers will be studying "Cities of the Underworld" as shown on the History Channel. We will see various excerpts from the TV series, build dioramas of some of the great finds explored in the series, and do our own investigation underground (special field trip to Philadelphia) to visit some of our own unique underground archaeological sites. If you have the yen to go "Down Under", then join our experienced group of explorers.

Questions? jfarrell@haddonfield.k12.nj.us

For: Students entering grades 5-8

When: July 9 through 19

From: 1:00 to 2:30 pm

Where: Middle School

Cost: \$160 per student

Indiana Jones Needs You!

Teacher: Mr Farrell

This course picks up from last summer's work. In this course our young but experienced archaeologists will learn about Ancient China and Central America, and our old favorite- Egypt. Visit the burial site of an ancient Chinese Emperor who had 1500 terra-cotta warriors buried with him. Learn how these warriors were actual models of real soldiers. Help us uncover each ancient warrior's statue and learn about their ancient land. Join us again in Egypt while we learn how they built pyramids. Get your hands dirty as we try to reconstruct their ancient building methods. What about the ancient Mayans, Romans and Greeks? The Ancient Romans were renowned for their engineering skills. Help us follow ancient Roman plans for building a bridge across the Rhine River to attack the Germans. Also, we'll return to the University of Pennsylvania Museum to continue our studies up close with a real live archaeologist. Join us for more adventures and hands-on fun. This is for last year's crew or anyone else who wants to join us.

Questions? jfarrell@haddonfield.k12.nj.us

For: Students entering grades 5-8

When: July 9 through 19

From: 10:30 am - 12:00 noon

Where: Middle School

Cost: \$160 per student

Study Skills, LEVEL 2

Teacher: Mr. Farrell

For 7th graders going into 8th grade and 8th graders going into 9th grade in September 2012, this course teaches the different ways students learn and how a student can become effective with his or her particular learning style. Students will be trained how to improve their organizational skills, and how to manage time by building and following a study/homework daily calendar. Students will learn how to make studying a habit, how to improve listening skills and note taking in class, how to read a textbook, how to take notes from readings and how to improve memory.

Questions? jfarrell@haddonfield.k12.nj.us

For: Students entering grades 8-9

When: Session 1: June 25 through July 5th (10:30-12:10)

NO CLASS ON JULY 4th

Session 2: July 23 through July 26 (1:00 - 4:00)

Where: Middle School

Cost: **\$140 per student for session 1 due to no class on July 4th.**

\$160 for session 2

There's An App For That!

New this year!

Teacher: Ms. Licorish

In this IPAD class, students will learn how to use a variety of educational, inspirational, and creative applications for this new cool tool! You do not need to own an IPAD to participate in this class. You will have the ability to use one provided by the district. This class has a 15 student maximum.

Indiana Jones Wants You!

Teacher: Mr Farrell

Spend part of your summer learning about the real world of archaeology. Join Mr. Farrell this year as we take part in a hands-on approach to archaeology. Join us as we carefully set up a dig site for excavation. Work on readying for exhibit, models of ancient jewelry, artwork and ancient weapons. Put on your gloves as we piece together for display broken tablet and pottery of the ancient past. Learn the secrets and terrors of excavating ancient graves such as King Tut and the skeleton in the golden coffin. We will also visit the University of Pennsylvania museum to meet a real live archaeologist and get a special tour of this world famous museum.

History, Architecture, Haddonfield!!

Teacher: Mr. Busarello

This course will examine Haddonfield's architecture and design from the town's founding to the present. The goal is to gain a greater understanding and appreciation of the many architectural styles which grace the community of Haddonfield and the immediate surrounding boroughs. In addition, this course will also accent how these styles are reflective of historical forces that have been at work over the past several centuries and the relationship between these various styles. Field trips will include Lemon Hill, Belmont Mansion and visits to neighborhoods throughout Haddonfield. Maximum of 10 students. Continental breakfast will be available daily and the **cost includes transportation.**

Questions? mbusarello@haddonfield.k12.nj.us

For: Students entering grades 8-12

Where: Middle School

Cost: \$160

BULLS, BEARS AND BULLION

Teacher: Mr. Busarello

This course will examine every day practical economics with a particular focus on the mechanics of the stock market. Through PowerPoint lectures, readings, music, film, speakers, and music, we will study, research and explore the origins of the market and discuss current market trends. In addition, we will conduct a short stock market game competition with prizes to the "winners", analyze several company business models/trends, and discuss "everyday economics." Students will visit the Philadelphia Stock Exchange, US Mint, and The Federal Reserve Bank. Maximum of 10 students. Continental breakfast will be available daily and the cost of the class **includes transportation and admittance costs at the mentioned attractions.**
