

IMPORTANT TRASH PICKUP DELAY NOTICE

Trash pickup for Wednesday, Thursday and Friday is postponed by one day due to the snow storm expected Tuesday night into Wednesday. Therefore,

Wednesday trash will be picked up on Thursday
Thursdays trash will be picked up on Friday
Fridays trash will be picked up on Saturday

If your trash is normally picked up one on one of these days please adjust your schedule accordingly.

We also would like to remind residents who have permits to park overnight on streets and in Borough lots that, when a heavy snowfall has been forecast, they need to park on private property, rather than in their usual spots.

Cars parked on streets and in public lots may be plowed in, and the Borough will not be responsible for digging them out.
