

# HADDONFIELD SCHOOL DISTRICT

## DISTRICT GOALS

2008-2009

---

### Curriculum

We will develop key relationships across the region and state to identify best practices to improve teaching and learning.

### Climate and Safety

We will address whether the learning environment in the district is sufficiently balanced to foster healthy development.

### Community Engagement

We will take greater advantage of the expertise and talents of the parents and community to strengthen the learning environment of Haddonfield Public Schools.

### Management and Operations

We will identify cost sharing opportunities with surrounding districts.
