Cell Phone: 856-555-5555 x [] Verizon	<input checked="" type="checkbox"/>
Email (Home): example@emailaddress.com	<input checked="" type="checkbox"/>

IMPORTANT

For Genesis to send text messages to a Cell number, the cell service provider (e.g. Verizon, AT&T, Sprint, T-Mobile) must be specified. It is not possible to send text messages without that information. If the cell service provider is selected, but is wrong, the number will not receive the messages that are sent.
