

# Haddonfield Public Schools

welcome qualified students from other districts who value both the challenges and choices of large schools and the opportunities for participation in the collegial environment of small ones.

## LEARN MORE!

### Info Night

### 7 p.m. Tue., Feb. 28

### at Haddonfield Memorial High School

Haddonfield's Tuition Program accepts a limited number of general education students in grades 6 through 12. We are particularly interested in interviewing students who can demonstrate strong academic performance and a desire to participate in athletic, arts, and club activities.

## Steps to Success

- ✓ Students interested in middle or high school are encouraged to visit our Info Night on Tue., Feb. 28.
- ✓ Submit an application form. It's straight-forward, and there is no test or fee.
- ✓ Experience Haddonfield Public Schools as a Student for a Day.
- ✓ Decide if our collegial environment, the challenges and choices we offer, and the opportunities for participation are right for you!

**Haddonfield Memorial High School has built a reputation of excellence for its:**

- High SAT scores
- Challenging college prep curriculum
- Drexel University partnership
- Outstanding "no cut" athletics, arts and clubs
- Tradition of community service

HMHS has been recognized as a top school by local, regional and national media. Its 2011 graduates were offered more than \$10 million in scholarships. Beyond academics, our students appreciate the many opportunities for involvement: 83% of students find a spot on one of our athletic teams, and 93% participate in co-curricular activities.

Inquiries for both middle and high school start with Michael Wilson: (856) 429-3960, press 6.
