

STUDENT FOR A DAY

You'll be amazed at what you can learn in a day!

As part of its Tuition Program, Haddonfield Memorial High School and Haddonfield Middle School offer prospective students a chance to see the schools, meet the faculty, and experience the classes ... all from an insider's perspective.

- Match up with a student or two whose interests are similar to yours.
- Spend a day experiencing all that Haddonfield schools have to offer.
- Get a feel for the school you're interested in and find out if it's right for you!

The Student for a Day program is designed to enable non-Haddonfield residents in grades 5 through 11 to find out how Haddonfield Public Schools could meet their interests and needs. Haddonfield offers many of the choices and challenges of larger schools, but does so in smaller settings with a community feel. Haddonfield has a reputation for academic excellence, with average SAT scores that are the highest in South Jersey. A Drexel University-HMHS partnership delivers free, college-level courses for high-achieving students, and HMHS students enjoy a full range of co-curricular and athletic activities. More than 90% of students take part in sports, clubs or both.

**Are Haddonfield Public Schools right for you?
Start your research by being a Student for a Day!**

All Student for a Day inquiries start with
High School Principal Michael Wilson at (856) 429-3960.
